

Golden Valley Road Bridge replacement

Alternative route to Minneapolis Clinic of Neurology

Golden Valley Road Bridge (County Road 66) over Bassett Creek will be closed from June 4 until August 31 for bridge replacement work.

People coming from the west to the clinic will not be impacted by the closure. However, people coming from the east will need to use an alternate route. The designated detour is West Broadway Avenue (County Road 81) to Penn Avenue (County Road 2) to Highway 55 to Highway 100 to Golden Valley Road.
